

Nursery Newsletter

Our topic will continue with Chinese New Year celebrations for one more week in class. The children will be creating a dragon to dance through the school grounds, bringing an end to our Chinese New Year. Our next topic in class will be 'dinosaurs'.

Learning intentions linked to class subject:

- Create animal puppets to recreate the story about Chinese New Year;
- Mark making with a variety of wheels and explore the marks they make;
- Songs and rhymes;
- Explore colour, textures and shapes.

I would like to thank you for continuing to support our snack provision with donations of fruit or donations towards the cost.

Finally, could I remind you that we are open on Monday 13th March from 6pm till 7pm for fathers to come along and make a Mother's Day card with their child.

Mrs Edwards head of Pre-school & Nursery
