

Nursery Newsletter

Our topic in class will continue with Elmer. We will use the story about Elmer to talk about feelings and explore shapes and patterns. In class this week the children will be taking part in looking for Elmer and friends in the garden with their charts counting how many. Younger children will be looking for Elephants in the sand, ice, jelly and foam having fun exploring using all of their senses.

Learning Intentions:

- Creating elephant garlands for the classroom
- Elephant hunt counting, how many did you find?
- Ascribe meaning to the marks they make
- Matching elephants by their patterns

Lastly on hot days can you apply suntan lotion to your children before they come to school, and we will re-apply throughout the day. I would like to take this opportunity say a huge Thank you for supporting our snack provision with a voluntary contribution towards the cost or donation of fruit.

Dates for Diary

Last day of Summer term 22nd of July

Mrs. Edwards head of pre-school & nursery
