

Nursery Newsletter

The children had lots of fun learning about Winter. They enjoyed exploring different textures and materials to create lots of lovely artwork and Snowman for our class display.

This week we will be using the musical instruments to make the sounds of Spring.

Learning intentions linked to topic:

- Play instruments loud and fast to represent heavy rain.
- Slow and short to represent stomping wellies in puddles.
- Light and quick for chirping birds.

Colour, Number and shape of the Month.

We are looking at Red, Number 5 and Oval shape in class. Can you create a collage with your child so we can display them in class and talk about their lovely creations.
