

Nursery Newsletter

We shall now be changing the class topic to Autumn. In class we will talk about the seasonal vegetables we see at Autumn time, looking at natural materials and changes in the environment. We will use various media, textures and Autumn colours to create artwork.

Learning intentions linked to topic for both Pre-school and nursery are:

- Explore various textures and media,
- Identify features in the natural world and their environment,
- Use Autumn colours to create Artwork.

The colour, number and shape of the month has now changed, can you create a collage with your children so we can talk about what they have created supporting speech and extending vocabulary.

It's no 2, colour Orange, shape Oval.

Information

Thank you for your donations of fruit and voluntary contribution towards the cost of snack without your support we wouldn't be able to offer this provision. Our children play outside in all weathers, can you make sure they come into school with their coat, so they don't miss out on their outside play.

Sunbeams Sponsor Guide Dogs, our new puppy is called Lily we will explain all about Lily to our children and share puppy updates when they happen.

Inset Day - We have an inset day on Thursday the 6th of October school will be closed, just to remind you we always have the same inset days as Mayfield.

Mrs. Edwards head of pre-school & nursery
