

## Nursery Newsletter

Our topic will continue with the theme 'Dinosaurs'. We are still looking at the varieties of dinosaurs, what they ate and their characteristics. We will explore textures, size and shapes, practice mark making with a variety of implements. Through these planned activities we introduce lots of new vocabulary and new skills.

Learning intentions are linked to class subjects:

- Classify and sort dinosaurs into groups
- Dinosaur dig
- Dinosaur hunt
- Use various media to create dinosaurs.

Colour, Shape and Number of the Month

Green, Oval and number 5 can you create a collage with your children for class display as children enjoy seeing their work up on the wall, it helps to promote language.

Reminders

Do not forget our newsletter is on the school website, we also have a Facebook page, which keeps you informed about inset days and any events which will be happening at our school. Finally, Mrs. Tufnell will be leaving us after Easter half term, she will be retiring. We would like to wish her a Happy Retirement.
