

Nursery Newsletter

The class topic is Spring. In class we are trying to identify features of plants and flowers. We shall plant some tomatoes, cumber, and lettuce plants in class so we can watch them grow and pick them for our snack.

Learning aims are linked to class subject:

- Begin to ask simple questions.
- Learn new vocabulary linked to topic.
- Compare size using some Mathematical language.
- Distinguishes between the marks they make.
- Combine different media and materials to create artwork.

Colour, Shape and Number in class during topic will be?

Orange, Oval No 7

Could you create a collage and bring back into class, as we use their lovely work to promote language, speech sounds, and build their vocabulary.

Thank you for your donations of fruit, and voluntary contribution towards the cost of snack without your support we could not offer this provision

Finally, we have to say goodbye to Mrs Bull who will be leaving Sunbeams on the 27th of May, we wish her every success in her new position.
