

## **Nursery Newsletter**

Our topic in class will continue with Under the Sea. We are still finding out about the various creatures that live in our sea. In class we are creating Jelly Fish using various media and materials.

Learning aims are linked to class subject:

- Learn new vocabulary linked to topic;
- Look at a range of creatures that live under the sea;
- Explore unusual ways of moving. Can we move like a Jelly Fish;
- Water safety, how can they stay safe when in the water?
- Combine different media and materials to create artwork

Just a gentle reminder, if you take home your children's Learning Journal please return to school on the following day or if over a weekend on the Monday.

Lastly, Mrs Reynolds has given birth to a beautiful baby girl called River.

### **Dates for Diary**

**Easter Holiday 11<sup>th</sup> to the 22<sup>nd</sup> of April we return to school on the 25<sup>th</sup> of April.**

**May Bank Holiday is the 2<sup>nd</sup> May & 3<sup>rd</sup> May.**
