

Nursery Newsletter

The class topic is Spring. In class we are trying to identify the features of plants and flowers.

Learning aims are linked to class subject:

- Begin to ask simple questions.
- Learn new vocabulary linked to the topic.
- Compare size using some Mathematical language.
- Distinguish between the marks they make.
- Begin to gain an awareness of what plants need for them to grow.

Colour, Shape and Number in class during topic will be?

Orange, Circle No 7

Could you create a collage and bring them back into class, as we use their lovely work to promote language, speech sounds, and build their vocabulary.

Thank you for your donations of fruit, and voluntary contribution towards the cost of snacks. Without your support we could not offer this provision.

We will be taking in the BEEP BEEP! Day on Wednesday 24th of April. This is about teaching road safety basics to all our children through lots of fun activities.

Dates for Diary

21st June Inset day.

24th July Teddy Bear Picnic school closed fundraising event
