

Nursery Newsletter

As the weather is getting warmer can you apply suntan lotion to your children before they attend school, and staff will re-apply throughout the day when necessary.

In class our children are doing fun activities from the story Going on a Bear Hunt. They will create artwork using various materials, make puppets to re-tell the story, learn new vocabulary linked to class topic.

The flowers and seeds that they planted are growing and they are taking turns to water the plants daily. We should have a lovely crop of tomatoes, lettuce, cress, carrots, and lots more. Thank you for your donations of fruit, and voluntary contribution towards the cost of snacks. Without your support we could not offer this provision.

Parent Information

We will be holding a parents' evening on Friday 21st of June; appointment sheets will be available from the Monday 10th of June. Appointments will be from 3pm onwards.

Dates for Diary

21st June Inset day.
