October 2020

Dear Parents/Carers

On Friday 23rd October, pupils will be having a PSHE day, based on the topic of 'Changing Me' from the Jigsaw scheme of work that we follow as a school. This is the topic that the children would have completed at the end of the summer term, in their previous class.

Each year group will be taught appropriate to their age and developmental stage. At no point will a child be taught something that is inappropriate; and if a question from a child arises and the teacher feels it would be inappropriate to answer, (for example, because of its mature or explicit nature), this information will be shared with you by your child's class teacher. The question will not be answered to the child or class if it is outside the remit of that year group's programme.

Below is a summary of RSE coverage within the Jigsaw scheme for each year group:

- Foundation Stage – Growing up: how we have changed since we were babies;
- Year 1 – Boys' and girls' bodies; naming body parts;
- Year 2 – Boys' and girls' bodies; body parts and respecting privacy (which parts of the body are private and why this is);
- Year 3 - How babies grow and how boys' and girls' bodies change as they grow older;
- Year 4 – Internal and external reproductive body parts, body changes in girls and menstruation;
- Year 5 – Puberty for boys and girls, and conception;
- Year 6 – Puberty for boys and girls and understanding conception to birth of a baby.

On the website, there is information about the content of this topic, so that you are aware of the learning that will be taking place. There is also a guide for parents and carers about Jigsaw and the RSE programme.

If you have questions about this, please approach your child's class teacher, Mrs Moore moore-laura@mayfield.portsmouth.sch.uk (Head of PSHE) or myself.

Yours sincerely

Miss J Lewis
Head of Juniors
