

Pre-school Newsletter

Our topic in class will continue with the Mathematics. In class we shall be talking about 2d shapes and the shapes we see in everyday objects.

Learning Intentions linked to class topic:

- Begin to use Mathematical terms to describe shapes.
- Shape sorting.
- Children to talk about the properties of 2d shapes.
- Children to use the cameras to take pictures of shapes in the environment.

Information regarding children's graduation will be going out to parents with the next newsletter. Homework will be going home next week but not reading books.

Lastly as the weather is beginning to get warmer can you apply suntan lotion to your children before they come to school, we will re-apply throughout the day. I would like to say a huge Thank you for supporting our snack provision with voluntary contributions towards the cost or donation of fruit.
