

### **Pre-school Newsletter**

Welcome back after the Easter Half Term - our topic in class is 'Spring'. The children will be looking at Planting and Growth. We shall be looking at similarities, differences and change as seedlings begin to grow.

Learning intentions linked to class subject:

- What do we need for a plant or seedling to grow;
- Do you know what food we get from plants;
- How do we look after our plants, create a care plan;
- Introduce new vocabulary linked to topic;
- Mathematics -measure growth and make comparison.

The letter sound for the week will be 'W', we look forward to seeing your children's creations as we use their work at circle time on a Thursday to promote speech sounds.

Can I say thank you for supporting our snack provision by donating fruit or a voluntary contribution towards the cost.

### **Dates for Diary**
