

Pre-School Newsletter

The topic will continue with the theme Winter. In class we are still looking at various media and materials to create artwork and achieve the children's planned effect. We will create ice hangings using natural resources to display inside and outside the classroom, encouraging the children to comment on what might be happening.

Learning Intentions linked to class topic:

- Talk about what they see happening with the ice art
- Talk through their ideas and help extend critical thinking through asking questions.
- Create props to support role play.

Thank you for supporting our snack provision at school, with your donations of fruit or a voluntary contribution towards the cost.

Sound of the week

Letter sound for the week is 'I' thank you for continuing to create a collage with your children we use their lovely creations at circle time to support speech sounds.

Teatime provision

If you book your child into this provision and you do not attend, you will still be charged.

Outside Play

Just a gentle reminder please send your children into school with their coat, hat, and gloves as we play outside daily. Could you label all items of clothing to prevent these going home with the wrong child.

We don't have any more spare clothes left in our setting due to them not being returned, can you put a spare pair of clothes in your child's backpack or bookbag.

Parent volunteers

If you would like to volunteer and take part in the setting, see Mrs Plowman at the school gate. It is a rewarding experience and the children do so much better when school and families work together.

Appointments are available for parents evening which is being held on the Friday the 23rd of February - don't forget to book your slot.

The next coffee morning will be on Saturday the 3rd of February from 10am until 12 o'clock.

Have a lovely weekend

Mrs Isobel Edwards head of pre-school & nursery.
