

Pre-School Newsletter

The topic will continue with the theme Winter. In class we are still looking at various media and materials to create artwork and achieve the children's planned effect. The children are learning to articulate their own ideas and adapt their work if necessary.

Learning Intentions linked to class topic:

- Talk through their ideas and help extend critical thinking through asking questions.
- Create props to support role play.
- Use a variety of writing implements to support mark making.

Thank you for supporting our snack provision with your kind donations of fruit or a voluntary contribution towards the cost.

Letter sound for the week 'J' thank you for continuing to create a collage with your children we use their lovely creations at circle time to support speech sounds.

From next week in class, we shall be introducing a word wall. Each week we will choose two words to put on our wall from the High Frequency Booklet which will be sent home next week, these will be inside their book bag. These booklets will only go home with the children who will be starting in Reception Year this September, but the word wall will support all our children to recognise and start to blend words together.

Appointment sheets will be available this week for you to book your slot for parents evening which is being held on the Friday the 24th of February.

Just a gentle reminder, please send your children into school with their coat, hat, and gloves as we play outside daily, also could you please remember to label all items of clothing to prevent anything going home with the wrong child.

The next coffee morning will be on Saturday the 4th of February from 10am until 12 o'clock look forward to seeing you it's a nice morning please do come along.

Have a good week

Mrs Edwards head of Pre-school & Nursery
