

Pre-School Newsletter

This will be the last week of our topic Chinese New Year Celebrations, this is known as the Lantern Festival, it can also be called the Spring Festival or the Lunar New Year, and we are celebrating the Year of the Dragon.

During our topic, the children have gained an awareness of the Chinese culture, their celebrations, traditions, foods and superstitions. This week we are going to create a Dragon for their dragon parade around the school grounds.

Learning Intentions linked to class subject:

- Select tools and use various techniques to assemble and join materials together;
- Talking about the traditions and celebrations;
- Explore colour, texture, shape and form;
- Start to create a Dragon for Chinese celebrations.

Sound Of the week

Letter sound in class is 'M' looking forward to seeing the children's lovely artwork to support our speech sounds.

Gentle Reminders

7th March World Book Day. Children can dress up in their favourite character.

Parent Volunteers

If you would like to volunteer and take part in the settings activities, speak to Mrs. Plowman. It is a rewarding experience and the children do so much better when schools and families work together.
