

Pre-School Newsletter

We are coming towards the end of our summer term, and some of our children will be moving into Primary school. This can be an exciting time for some children, while others can become quite anxious, to ensure a positive transition into Primary, we will create a book in class called Starting School. We will use this book to chat about the teachers they have met, names of their new classrooms, and the fun things they will get to do at their new school and any anxieties that they may be feeling.

This will be the last time that library books will be going home and there will be no more homework.

Tickets are available at the cost of £1.00 for family and friends to watch the graduation. Children will need to wear their school uniform for the Graduation and be at Mayfield Main Hall for 9.15am.

We will be recording the Graduation morning the DVD will cost £5.00, if you would like a copy, please give your name to Mrs Plowman.

Attached to your newsletter is a list of Top Ten Tips for starting school in September. We will still be planting seeds and flowers at school so any donations of compost or seeds would be appreciated.

Thank you for supporting the snack provision without your continued support we couldn't offer this to our children.

Mrs Isobel Edwards head of pre-school & nursery.
