

Pre-School Newsletter

This will be the last week of our topic 'Chinese New Year'. During our topic, the children will gain awareness of the Chinese culture, their celebrations, traditions, foods and superstitions. This week the children will be creating a dragon for their parade around the school grounds.

Learning intentions linked to class subject:

- Show an understanding of the story;
- Explore colour, texture, shape and form;
- Select the tools and techniques they need to shape, assemble and join materials together.

The letter sound is 'M'.

Our word wall has one more word added -they are A, to, it, I, In. These words can be found on the first page in the high frequency booklet that you are using with your children.

A few gentle reminders – please can you clearly label your children's school uniform and coats to prevent these items of clothing going home with the wrong children.

The topic in class will change to dinosaurs starting on 6th March.

Do not forget we are open from 6pm till 7pm on Monday 13th March for fathers to come along and make a Mother's Day card with their child.
