

Pre-School Newsletter

This is our last week finding out about Dinosaurs. In class we will still discuss the role of a Palaeontologist, we have introduced new vocabulary extinct, excavation, herbivore, carnivore, omnivore and made volcanoes in our dinosaur world.

Learning Intentions linked to class subject:

- Using our imagination, going on a dinosaur expedition.
- Promoting mark making to record findings.

Letter sound is 'Q.'

Our word wall has one more word added they are, A, To, It, I, In, And, Was, The. These words can be found in the high frequency booklet that you are using with your children.

We entered three of our children into my first poem competition they were, Rose Harkin, Edie Pearce, and Florence Chandler. I am so incredibly pleased to say that Edie and Rose received a certificate of achievement and Florence's poem has been chosen for publication in a book called My First Poem 2023 – Little Rhymers, what an outstanding achievement.

Thank you for continuing to support our snack provision with your donations of fruit or monetary contributions towards the cost, it's so very much appreciated.

Reminders

Easter Bonnet Parade will be the last day of term 31st March, time to get creative.

Have a lovely week!

Mrs Edwards head of Pre-school & Nursery
