

## Pre-School Newsletter

We are looking at textures, shape, form, manipulating various media and materials to achieve the children's planned effect. Through these activities the children can articulate their own ideas and extend their learning through asking questions.

Learning Intentions linked to class subject:

- Winter walk discussing what they see, hear, smell and touch.
- Create Ice hangings for seeing throughout the day.
- Put together a snowman using a variety of shapes developing mathematical language.

Letter sound is 'K.'

The High Frequency Booklet will be going home with some of our children this week, inside the booklet it explains what you need to do.

The words on our word wall will be A and To, you will see these in their booklet.

Just a few gentle reminders can you clearly label your children's school uniform and coats please to prevent these items of clothing going home with the wrong children.

Items brought in from home:

- Any toys brought into school from home the setting assumes no responsibility for the loss, damage or said items going home with the wrong children. But every effort will be made by the staff in recovering any lost items.

Please do not forget to book your appointment for parents evening appointment sheets are now available.

Our next coffee morning is being held on Saturday the 4<sup>th</sup> of February from 10am till 12 o'clock.

Have a lovely week.

Mrs Edwards head of Pre-school & Nursery
