

Pre-School Newsletter

Our topic in class will continue with the theme Dinosaurs. In class we shall discuss the role of a Palaeontologist and how they study fossil animals and plants. Introducing new vocabulary extinct, excavation, herbivores, carnivore, and the names of dinosaurs that the children are not familiar with. The children will take part in looking for fossils in the sand, carefully excavating the hidden bones, sorting them into size and shape, labelling what they find.

Learning Intentions linked to class subject:

- Promote mark making to record findings.
- Developing number formation skills 0-10.
- Dinosaurs dig excavating the bones sort by size.
- Group dinosaurs by their eating habits.

Sound Of the week

Letter sound in class is 'P' looking forward to seeing the children's lovely artwork to support our speech sounds.

Gentle Reminders

Do not forget our newsletter is on the school website, we also have a Facebook page, which keeps you informed about inset days and events happening at our school.

Finally, Mrs. Tufnell will be leaving us after Easter she will be retiring. We would like to wish her a Happy Retirement.

Dates for Diary

School photographer Friday 22nd March

Coffee morning 23rd March 10am till 12'oclock.
