

## Pre-school Newsletter

The children have settled into the school routine and have gained a better understanding of the class rules and boundaries.

Our topic will continue with the theme All About Me. We are continuing to look at similarities and differences between themselves and others, developing their confidence in the use of language. In class the children will be creating observational drawings of each other and using different media and materials to create hair.

Learning Intentions linked to class topic:

- To create an observational drawing of each other,
- To recognise similarities and differences between themselves and others,
- Comment and ask questions,
- Count accurately 1-1 correspondence.

In class each week we will have letter sound of the week, to promote speech sounds. The letter for next week will be 'B', could you create a collage with your children with objects that begin with the letter B, we will share these on Thursday at circle time to promote speech sounds. Homework will be going home weekly, and it's linked to the class topic don't forget to make it fun and give lots of praise. Children love to see their work on display, and it starts conversations building their communication skills.

Thank you for taking the time to complete homework with your children, there create a face homework is lovely, children are so proud to show their work to each other and their teaching staff.

### Learning Journal

We create a booklet in class called a Learning Journal, it will include photographs, and your children's work. These will be available for you to take home and contribute towards at the end of the month.

### Information

Thank you for your donations of fruit and voluntary contribution towards the cost of snack without your support we wouldn't be able to offer this provision. Lastly please label your children's school uniform to prevent items going home with the wrong child.
