

Pre-School Newsletter

Our topic will continue with Spring. We will be planting seedlings and recording how they grow looking at the similarities, differences, and changes.

If you have any compost, seeds, plants, and plant pots you could donate to the school to support our topic. We would be most grateful.

Learning Intentions linked to class subject:

- Talk about the differences between the seeds.
- Describe the change.
- Measure growth and make comparison.
- Introduce new vocabulary linked to the topic.

Sound Of the week

Letter sound in class is 'U' looking forward to seeing the children's lovely artwork to support our speech sounds.

Gentle Reminders

Do not forget our newsletter is on the school website, we also have a Facebook page, which keeps you informed about inset days and events happening at our school.
