

Primary Staff Contact List 2020-2021

If you wish to contact a member of the Primary team, this should be done via the classroom teacher in the first instance. Your child's teacher will be able to deal with the majority of your queries or concerns.

The best way to contact staff is via email. As teaching starts promptly at 8.45am, classroom teachers will not be available at drop off but urgent messages will be passed on by the staff on duty in the playground.
