

Head of Pre-school and Nursery

The children are really enjoying making their sound robots in class, this activity has promoted lots of language and speech sounds, they are extremely proud of their creations, I am sure they will tell you all about their robots when they take them home.

The rehearsals for the graduation are going well, the children are having lots of fun practicing the graduation songs and dance moves on the main stage.

Graduation is on Monday the 19th of July please bring your children into school for 9am to have the photograph taken. We will be recording the Graduation and the DVD will cost £5.00. As the weather is beginning to get warmer, could you apply sunscreen to your children before they attend school, and we will re-apply, as necessary.
