

Head of Pre-school and Nursery

Our topic has now changed to 'Pirates'. We are going to use globes and maps as a source of information to help us see where pirates come from, why do they travel on the seas and who were pirates.

Learning Intentions linked to class subject:

- Construct and join different media and materials together to create props for role play.
- Design wanted posters by drawing their friends.
- Extend vocabulary exploring the meaning of new words.
- Sort pirate treasure by colour, shape, and size.
- Develop mark making using a variety of implements.

Letter sound is 'O'. Thank you for continuing to create a collage with your children, we use their lovely work at circle time to promote speech sounds every Thursday.

We are now going to introduce in class our word wall, with new words being added each week. This week the two words will be, To and It, this will support their phonics knowledge.

Finally, we offer a snack provision from your voluntary - contributions without your support this wouldn't be possible. You can contribute by donations of fruit or a small monetary donation. Thank you for supporting your school. Lastly Mrs. Reynolds our teacher in the Nursery provision will be leaving us on the 11th of February to begin her maternity leave. We wish her well and we are looking forward to meeting her new bundle of joy.
