

Curriculum Re-engagement Programme

Subject: Technology

SL: Katherine Astles

DOL: Jude Firth

	Adaptations
New Year 7	No changes.
New Year 8	Year 7's missed out on Food lessons last year, however this year they now have three lessons instead of 2, therefore they can catch up with their learning. They will be following the usual curriculum, however at the end we will add some new extra projects linked to healthy eating, such as creating soup.
