

Technology Work

We will be looking at life skills and tasks to do around the home:

Tasks

1. Looking at the labels in 5 different clothing items identify and draw as many different washing symbols that you can find.
2. Label each symbol with a description of what it means and the washing conditions you would need to undertake. If you are not sure you can google washing symbols and look at google images also see attached document for 5 care labels.
3. Draw your own T-shirt outline (like the one below).
4. Create your own T-shirt design and colour in
5. Label your tshirt with the type of fabric you would like to make it with (see your research for ideas)
6. Create your own washing label to go with your t-shirt.
