- Celebrate student success. Recognise and reward students who have excellent attendance and are always punctual to school.
- Always contact parents/carers if we have not had any contact to explain their child's absence on their first day of absence OR if the school becomes aware that they may no longer be on school premises without permission during the school day.

- Always aim to work closely with parents/carers and your child/ren to ensure the best possible outcomes for them.
- Aim to respond to parents/carers concerns as soon as is possible (within 48 hours).
- Care for the safety and happiness of every member of the school community.
- Provide a balanced education and meet the needs of every child.
- Achieve high standards of work, behaviour and responsibility through building, maintaining and restoring good relationships with children.
- Set, mark and monitor work in accordance with school policies.
- Keep parents/carers informed about general school matters and about their child's progress in particular.
- Be open and welcoming at all times and offer opportunities for parents/carers to become involved in the life of the school.
- Encourage all students to value and celebrate each other's achievements and to take care of their surroundings and others around them.
- Keep parents/carers informed about school activities including areas of the curriculum being studied each term through letters, newsletters, school social media posts and notices about special events on ClassCharts.
- Motivate your child to do their best in all aspects of school life.
