Evidencing the impact of the PE and Sport Premium 2024-2025

Amount of Grant Received	£ 19,470	Amount of Grant Spent		Date 3 rd September 2024	
RAG rated progress: <ul style="list-style-type: none"> • Red - needs addressing • Amber - addressing but further improvement needed • Green - achieving consistently 					

As a result of reviewing achievements to date in each of the 5 key indicators from DfE and considering priority areas for further development needs, the following 3 year action plan and impact report shows ongoing progress.

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of pre-covid?	
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	

Key indicator 1: Increasing engagement of all pupils in regular physical activity and sport

– Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
