Speech, Language and Communication Advice Sessions

for Parents / Carers (Age 6-11)

Where?

THE ADVICE SESSIONS FOR THE PARENTS/CARERS OF PRIMARY AGED CHILDREN AGED 6-11 WILL BE HELD:

- In various locations across our borough
- Within a Family Hub or a community library
- For children aged 6-11 who live within the borough of Rochdale
- See dates, times and locations below

Why go?

- If you are concerned about your child's speech, language and communication skills and you would like advice and support then these sessions could be for you

What to expect

- These sessions are drop ins so no need to book. This may mean a short wait until the therapist is available
- These are information and advice sessions focusing on speech, language and communication skills and do not replace any clinic appointments
- You do not need to bring your child to the session. You will have an opportunity to discuss the concerns about your child, and receive advice and support from a Speech and Language Therapist

What happens after the session?

At the end of the session, the Speech and Language Therapist can:

- Signpost to any key services in the borough that may be able to offer further support
- Provide ideas for how you can support your child's speech and language development through everyday activities and routines

Attendance

School fines for unauthorised absence have changed.

The government (Department for Education) has introduced a new national framework for penalty notices which parent/carers must pay if they take a child out of school during term time, for holidays or unauthorised absence. The changes came into effect for fines issued after 19 August 2024. We urge parents/carers not to interrupt their children’s schooling and talk to the office staff before booking leave of absence.
