WHAT IS CHILD FINANCIAL EXPLOITATION?

Have you got your own bank account? Do you have a bank card? If you do, you need to know about CFE.

CHILD FINANCIAL EXPLOITATION or **CFE** for short, is when criminals groom children, so they can exploit them and use their bank accounts to commit crimes like money laundering or fraud.

They want to hide money made from crime, and they use children and young people to do this.

USING PEOPLE LIKE THIS IS A CRIME AND IT IS ABUSE!

LOOK OUT FOR!

A stranger or "new friend" asks for your bank account details.
They message you through games or social media.
Promise of "easy money" for doing nothing.
They ask you to open a bank account or use your card.
Tell you not to tell your parents or teachers.

HOW TO STAY SAFE

Don't share your bank account or card details with anyone.
Never agree to receive or send money for someone.
Tell a trusted adult if someone makes you feel unsure.
Block and report strangers who ask you weird questions online.
Remember... real jobs don't ask you to move money!

IF YOU ARE WORRIED REMEMBER...

To tell a parent, teacher, or trusted adult right away.
They can help you check if the person is trustworthy or if they are trying to get you to do something wrong.
They can help you report something suspicious to the police.
The police will listen, they will not judge you and they will help.

If something feels strange or makes you uncomfortable,

YOU HAVE THE POWER TO SAY NO!

You can be smart. You can be strong. You can protect yourself and your friends and you can...

Dear Parents and Carers,

September is Sepsis Awareness Month, with World Sepsis Day on 13th September. Sepsis is a serious condition that can affect anyone, including children, and early recognition is vital.

As part of our commitment to the wellbeing and safety of all children, we are sharing information to help parents and carers recognise the signs and symptoms of sepsis.

We're encouraging all families to take a moment to read this short sepsis trust leaflet (attached in the link below) to help raise awareness:

<https://sepsistrust.org/wp-content/uploads/2024/08/Sepsis-Savvy-Paediatric-Leaflet-1.pdf>

Early recognition saves lives – knowing what to look out for can make all the difference.

Thank you for your attention and support in helping us keep children safe and healthy.

Best wishes,

Sleep is crucial for children's emotional and mental health, yet many families find it a constant struggle. The role of neurodivergence will also be considered, with time set aside to address your submitted questions.

Overview:

- Strategies for better sleep without battles
- Common sleep myths and mistakes

- The connection between sleep, mood, and anxiety
- The impact of technology on sleep and mood

School fines for unauthorised absence have changed.

The government (Department for Education) has introduced a new national framework for penalty notices which parent/carers must pay if they take a child out of school during term time, for holidays or unauthorised absence. The changes came into effect for fines issued after 19 August 2024. We urge parents/carers not to interrupt their children's schooling and talk to the office staff before booking leave of absence.
