

## WORSHIP TEAM

### Our Achievements 2018 - 19:

- We have lead Worships and lunchtime arts and crafts activities celebrating:

St Andrew's Day  
Festival of Holi  
Chinese New Year  
Lent  
Ramadan and Eid

- We created a child friendly 'Aims of our Worship' to share with the teachers and staff so we know how to make Worship time the best it can be.
- We have evaluated Worships in school to help make them better for us.
- We took Christmas presents to Brian House and learnt about how they help others there and we taught everyone in school about this too by going into the classes.
- We took part in the Pupil RE Conference for Blackburn Diocese.
- We have visited and made links with St Stephen's School in Preston to help us learn more about the different faiths and cultures in their school.
