Upcoming Transition Events for September new starters

We are looking forward to your child joining our school in September. Please see below information about upcoming events to aid transition into school.

Please do not worry if you cannot attend some of these events. They are designed to help you and your child settle into school. Aside from the induction morning on Wednesday 8th July (highlighted in yellow), which we do encourage all families to attend where at all possible, the events are not essential. We will work with you and your child when they begin school to help them to feel part of the school family in no time at all.

The tour of the school / lunches need to be booked online, and you can do so by [clicking here](#).
