Shine brightly together and reach for the stars!

Systems and sites that we use in school

Here is a brief overview of the system and sites we use here at Melbourne Infant School. You will be given logins to all systems when your child(ren) join us in school.

We will assume your consent for these systems unless you expressly tell us otherwise. Details of all of the third party systems and providers used by school can be found on our website:

<https://www.melbourne-inf.derbyshire.sch.uk/our-school/gdpr>

Parent Pay

ParentPay is used to accept payments online for items such as school trips, clubs, events and contributions. Using a secure website, parents and carers can pay online for school items using credit / debit cards.

Class Dojo

Children will receive dojo points for positive behaviour. We use Class Dojo to give dojo points for making good choices that reflect our STAR standards; as well as providing classroom and school updates. Please download the Dojo app in readiness for your child starting school. Please visit <https://www.classdojo.com/>

Please note that whilst Class Dojo offers a "Premium" feature to its users. the "Premium" features of Class Dojo are in no way needed by parents/carers in order to engage with how school uses Class Dojo.

SeeSaw

SeeSaw is a secure online journal where students can document and reflect on what they are learning in class.

Bug Club

Bug Club is a reading scheme which ensures that all children can find books at exactly the right level for them. There are online versions for every printed title and a personalised website for each child.

Spelling Shed

Spelling Shed is an online spelling program that helps children to practise spelling via a simple game which aims to excite children about spelling!

We would like to take this opportunity to thank the PTA for funding the Bug Club and Spelling Shed subscriptions in school.
