or sitting on the floor. • Further develop the skills they need to manage the school day			
successfully:			
		•	
 Ining up and queuing mealtimes 		- ,	

Literacy	 Read individual letters by saying the sounds for them. Blend sounds into words, so that they can read short words made up of known letter-sound correspondences. Read a few common exception words matched to the school's phonic programme-Phase 2. Form lower-case letters correctly. Spell words by identifying the sounds and then writing the sound with letter/s.
Mathematics	 Count objects, actions and sounds. Subitise. Compare numbers. Understand the 'one more than/one less than' relationship between consecutive numbers. Automatically recall some number bonds for numbers 0-5. Select, rotate and manipulate shapes in order to develop spatial reasoning skills.
Understanding the World	 Understand the effect of changing seasons on the natural world around them. Talk about members of their immediate family and community. Name and describe people who are familiar to them. Understand that some places are special to members of their community. Recognise that people have different beliefs and celebrate special times in different ways. Explore the natural world around them. Describe what they see, hear and feel whilst outside.
Expressive Arts and Design	 Explore, use and refine a variety of artistic effects to express their ideas and feelings. Sing in a group or on their own, increasingly matching the pitch and following the melody. Develop storylines in their pretend play. Explore and engage in music making and dance, performing solo or in groups.
