

### History

What animals lived in the Ice Age?

Can you research and find out about any animals that lived during the Ice Age?

### Geography

Where are the coldest places on Earth?

Can you use a map or Google Earth to find somewhere extremely cold?

### Music

Why is it important to listen with concentration?

Can you sing and clap along to your favourite song from 'Frozen'?

### Art/Design Technology

What ingredients do you need to make a loaf of bread?

Can you make a harvest loaf to share with your family?

## Term 1 - Frozen Planet

### Could you survive a week in Antarctica?

### Music

Why do we need to exercise?

Can you become the next Joe Wicks and come up with your own workout routine?

### Computing

Why is it important to keep a password private?

Can you use your BugClub login to access a book?

### Science

How are the trees changing this season?

Can you create an Autumn picture using colours or natural objects you would find on an autumn walk?

### Religious Education

How can we help people who are less fortunate than ourselves?

Can you fill a shoebox full of food to donate to our harvest collection?

Tips for parents:

These are a selection of activities for you to choose from - you do not have to complete them all.

We are asking you to try and complete one subject activity a week, you can send it into school virtually on a portfolio or physically with your child.

### Homework expectations

Termly learning objective coverage will go on the reverse.

Ensure cross curricular maths and writing within some areas.

Weekly - spelling/ phonics and reading - goes on a portfolio each week.

Maths - when starting a new unit put out on what you are covering and suggested activities for x amount of weeks. This is also a portfolio.

Homework will go out the term before to give parents opportunities in the holiday to go places which could link e.g. a castle.

Tips for parents;

These are a selection of activities for you to choose from - you do not have to complete them all.

We are asking you to try and complete one subject activity a week, you can send it into school virtually on a portfolio or physically with your child.
