I would like to take this opportunity to thank everyone for taking the time to complete our parent questionnaire. It is invaluable to collect these views and comments to continue to improve our school. After analysing both the responses and the feedback in the comments section, the following areas are things we will aim to improve on next year:

The school makes me aware of what my child will learn during the year:

The objective coverage is always available on the school website on the Curriculum page (<https://www.melbourne-inf.derbyshire.sch.uk/curriculum>), however from the website question we can see that parents do not use the website as often as we thought. Therefore we will regularly post on Dojo, activities which children will be learning the coming week. We will look at adapting our weekly homework to accommodate for this.

Staff send home each term an overview of what will be taught that term on the reverse of the homework map. We will ensure this is also posted onto Class Dojo each term for parents to see.

We will be increasing parent meetings about areas of learning from September and inviting parents in regularly to see activities in the classroom.

The school supports my child's wider professional development:

From September we will be increasing our events in school, which will include parent/ child events, clubs and PTA events.

Thank you as well for all of the lovely comments to staff. They really do appreciate them.

Mrs Gibbs
