2. All letting requests will be made a lettings Form to the School Office. The School Business Manager will deal with them in accordance with this Policy.
3. Where a letting is requested, an agreement form must be completed, ensuring that the person requesting the letting agrees to the School's terms and conditions and is appropriately insured. All Hirers of the school premises are required to be familiar with the Lettings Policy and the Health & Safety Policy. A liability statement will be issued on agreement of letting.
4. External lettings of the school will typically fall into one of three categories:
 - a) Letting of the internal school building;
 - b) Letting of the external school grounds;
 - c) Letting of the school car park;External lettings may be a combination of the above.
5. Any other individual or group wishing to hire the school premises may do so only at the discretion of the Headteacher and at full economic cost. All costs associated with letting the School premises must be considered when determining an appropriate charge. A commercial letting charge will be made for the majority of lettings.
6. The method of calculating the actual cost of the letting comprises four main elements:-
 - i) Energy - contribution to gas / electricity as appropriate;
 - ii) Caretaking Fees - as set by Vertas: a Caretaker presence will be required for all lettings apart from those requiring the car park only;
 - iii) Per Capita fees and/or grounds maintenance fee and costs - this will be determined based on the nature of the event. Per Capita fees will normally apply when the event is due to be attended by a significant number of attendees (ie over 2000).
 - iV) Administration fee - this will be applied for all lettings.

A breakdown of any letting charge will be provided to prospective letters.

All letting proceeds must be collected prior to the event taking place. Any damage to the premises or additional cleaning required will be charged in addition to the letting fee.
9. **At the Governors' discretion**, conditions may be applied to lettings where the school is providing a service as part of the letting (for example; representatives of the school or PTA having a presence at the event, or staff/children providing a service/organised event to the organisers of the letting). These conditions may include conditions regarding event entry or additional charges.
10. **At the Governors' discretion**, the charge may be waived when the Governors are confident that the full economic cost will be exceeded by the subsequent donation to the school, which will be given within a reasonable period.
