Vision and Values

Our Vision

To inspire, motivate and engage all children to become life-long learners, who reach for the stars.

Our Values

Our school values are reflected through our STAR Standards:

We aim to achieve our vision by working together as a team – staff, parents, governors and local community – to enable our school to **SHINE**.

We

offer a **S**upportive, fun and caring atmosphere, where children access an ambitious, globally diverse, purposeful and creative curriculum where achievement in all areas is celebrated

create a **H**appy, safe and stimulating environment where all individuals are valued, diversity is embraced, and **STAR** potential realised

foster self-belief and a positive self-image, which encourage **I**ndividual talents to **shine**, and children engage collaboratively with our school community

provide opportunities to **N**urture curiosity and exploration so that children develop emotional literacy and a lifelong love of learning

respect ourselves and each other, **E**nabling us to be active participants in the world around us.

Our Motto

Shine brightly together and reach for the stars.

Admissions

Applying for a Reception place

If your child was born between 1 September 2018 and 31 August 2019 they will be able to start school in September 2023.

You should apply for their infant or primary school place between November 2022 and January 2023.

Admissions criteria

At Melbourne Infant School we follow the Derbyshire County Council Admissions criteria. The details are as follows:

Individual pupils who have a statement of special educational needs or an education, health and care plan (EHC) which names the school will be admitted.

In deciding on admissions, the following order of priority will be adopted:

1. Looked after children and children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
2. Children living in the normal area served by the school at the time of application and admission who have brothers or sisters attending the school at the time of application and admission.
3. Children living in the normal area served by the school at the time of application and admission.
4. Children not living in the normal area served by the school but who have brothers or sisters attending the school at the time of application and admission.
5. Other children whose parents have requested a place.

Where, in the case of 2, 3, 4, or 5, choices have to be made between children satisfying the same criteria, those children living nearest to the school measured by the straight line distance will be given preference.

In year applications

You may want to apply for your child to change schools other than when they are due to start primary education. You can do this anytime of the year.

If you want to apply for a place at Melbourne Infant School you should contact Derbyshire County Council.

Pupil Premium

Pupil Premium is a Government fund given to schools for eligible pupils; to ensure that all children have an equal opportunity to learn and succeed.

This extra funding allows us to provide additional staffing and resources, bringing learning benefits to eligible pupils as well as all children throughout the school. It is also used to subsidise after school clubs (one full term each year for each eligible child), school trips, school uniform, specific interventions and staff training.

What are the eligibility criteria?

Children are entitled to receive Pupil Premium funding if their parents or guardians receive any of the benefits below:

- Universal Credit
- Income Support
- Income based jobseekers allowance
- Income related Employment and Support Allowance
- Support under Part 6 of the immigration and asylum act 1999
- Guarantee Pension Credit
- Child Tax Credit, provided there is no entitlement to Working Tax Credit and the annual gross income is less than £16190 as assessed by HMRC

You can apply online at:

<https://www.derbyshire.gov.uk/education/schools/your-child-at-school/meals/pupil-premium/school-meals-pupil-premium-form.aspx> or ask at the school office.

Snack time

The children have a snack in the morning and also one in the afternoon. Children bring in one snack from home in a named container, and the other snack is a piece of fruit provided by school.

Children need to bring a named, non-spill drinks container each day, filled with water only.

Lunch time

All children at Melbourne Infant School are eligible for a Universal free school meal each day.

Alternatively if you prefer, you can bring in a packed lunch from home. We ask that parents choose one or other option, and do not frequently switch between the two.

Before and after school clubs

We have a before-school club run by Premier Sports which takes place in the school hall. Children can be dropped off from 7.30am for breakfast and activities.

After school, there are a variety of paid clubs which children may sign up to which run until 4.30pm. Reception children may attend after school clubs from the January.

Communication

A **weekly email** is sent to all parents and carers on a Friday, communicating any new and key information. This keeps everyone in our school community up to date with what is happening.

At Melbourne Infant School we use **Class Dojo** for communication between parents and carers. This is also used to log behaviour points for children. Each child has a portfolio within Class Dojo where staff and parents can record aspects of their child's learning and share this between home and school.

Our **school website** is also a source of lots of useful information, and is updated regularly.

We also have a **Facebook page**, which communicates events and activities for members of our school community to see.

Each academic year, parents are invited to two **parent's meetings*** with their child's class teacher, in the Autumn and Spring term. They also receive an **end of year report** in the Summer term.

We like to invite parents and carers into school for **open events*** on a regular basis to experience learning with their children, and for an insight into school life.

*Please note that these are dependent on Covid 19 restrictions.
