Thank you for all your lovely comments - the staff really do appreciate them.

... loves school and I am very impressed with the progress she is making in her education.

A lovely school with great staff that focus hard on developing confidence in their pupils. Thank you

We are so happy with the care and education our son receives. He has grown in confidence so much in such a short space of time and has gone from being a little boy happy to play alone to having so many friends. It is wonderful to see him blossom.

The school team led by Mrs Gibbs are kind, caring and thoroughly committed to my child's development and I thank them all for their hard work.

A wonderful school with brilliant staff.

The new style newsletters are great & really easy to read.

Thank you for all the creative ideas you do with the children.

A lovely school with some amazing staff.

After analysing both the responses and the feedback in the comments section, the following areas will be developed in the final term of this academic year and going forward into the new academic year - children's mental health, well being and mindfulness, ensuring a range of timings for special events/ workshops for parents and providing more opportunities for parents to look at books/ work completed at school.

I would like to take this opportunity to thank everyone for taking the time to complete our parent questionnaire. It is invaluable to collect these views and comments to continue to improve our school.
