Premier Education are working in partnership with British Gymnastics to help develop skills of budding Gymnasts. Gymnastics has been proven to show benefits in young children as it stimulates cognitive growth, helps to develop healthy and strong bones whilst working on enhancing your child's confidence and teamwork skills. It is a sport that can be a never-ending source of enjoyment for children!

At the Multi Sports club, children will have the opportunity to take part in a variety of different sports and games which can include football, fencing, archery, dodgeball and many more! Children will learn the basic skills and rules of each sport delivered at the club and will improve their overall fitness whilst having fun!

All our Activity Professionals are fully qualified and have vast experience. All staff have an up-to-date enhanced DBS and have completed their Safeguarding and First Aid qualifications.

The cost for each of the clubs is stated above (£5.00 per session). Both of these clubs are payable in advance.
