

Melbourne Infant School - Annual Parent/ Carer Questionnaire November 2019

The following questionnaire was sent to parents this term and we received **59** responses (Reception - 20, Year 1- 26 and Year 2 - 15). The results are as follows:

Thank you for all your lovely comments – the staff really do appreciate them.

'The teachers are brilliant and I would happily recommend to anyone'

'I am really grateful for the amazing work you all do'

'The new lunchtime clubs have been great for us, and the management of football at lunchtime has greatly improved happiness'

'The range of additional clubs are brilliant'

'Wonderful caring driven staff and Headteacher'

'Good additional activities eg panto and chocolate workshop'

'Fantastic work from PTA'

'Nurturing and caring staff, supportive learning environment'

'Firstly thank you for everything you do. It is a lovely school and I know that ... are well looked after and feel happy and secure in the environment you have created'

'Appreciate the work put in by all staff to create a great learning environment, and make MIS a caring place too'

After analysing both the responses and the feedback in the comments section, the following areas will be discussed with staff and see where as a school we can improve these areas.

- Informing parents about activities and clubs outside the curriculum
Class teachers will communicate directly with parents if children are receiving any additional group work outside the curriculum. Any upcoming events are shared on the school newsletter, or celebrated on the Facebook page.
- Music/ drama clubs
This is an area we are going to look into, to see whether we can source a club for these areas.

I would like to take this opportunity to thank everyone for taking the time to complete our parent questionnaire. It is invaluable to collect these views and comments to continue to improve our school.
