

EYFS Autumn Term Home Learning Activities

Communication and Language	Personal, Social and Emotional Development	Physical Development	
While out on a walk, listen to sounds you can hear. Can you share what you hear with a grown up? 	Using chalk, can you work with a grown up to create an autumn/winter themed picture on the ground? Will you make a Bonfire Night inspired picture, a scarecrow or a Christmas tree? 	Use seasonal colours and spices, such as cinnamon, nutmeg or ginger, to create autumn/winter playdough. What models will you choose to make with the dough? 	
Literacy	Mathematics	Understanding the World	Expressive Arts and Design
Look at the packets and tins of food in your cupboards, with a grown up. Do you know what is inside each of them? How many letters can you recognise? Have a go at copying them. Can you spot letters anywhere else? 	Go on a treasure hunt for a range of natural objects, such as pine cones, conkers, leaves and small twigs. Can you make a repeating pattern using 2 then three objects? 	Can you draw a picture of a type of food that grows on a tree, a type of food that grows under the ground and a type of food that grows on top of the soil? 	Make a collage of a scarecrow. You could use old fabric, paper or packaging that you no longer need. 

If you would like to support your child's learning at home, please see the suggested learning activities above. When you have completed an activity, please upload onto your child's portfolio so we can share it in class and reward with a homework dojo!
