

Literacy

This half term we are learning about quest myths and we will be planning and creating our own. We will have a hero who will need to succeed on a quest. The hero will have a companion (a buddy) who will help them by giving them a special object to help them defeat the enemy in the story.

Numeracy

We will be starting the year by learning about Place Value. We shall explore numbers to 1000 by using concrete methods initially and then moving through to pictorial and abstract methods. We then start to look at Addition and Subtraction.

Science

We will be looking at Animal Including Humans for autumn We will look at our bodies, explore the skeleton and how the muscles help us to move. We shall explore food and nutrition and think about what makes a healthy diet.

Computing

We will begin to look at Online Safety. This means we shall think about how to be safe when using the internet.

Art/DT

We will be looking at famous landscape artist Monet and using different drawing techniques such as cross-hatching and shading to upscale a part of a picture to create a large class collage.

Geography

We will be learning all about rivers. We will look at the path of a river and complete some map work looking at local rivers to us. We will be learning about why people choose to live by rivers and how this can be helpful. We will be using our learning about rivers to make a model river and identifying the different parts.

Music

We will be looking at performance and songs linked to singing collectively as a group.

PE

We will be exploring Athletics in the first part of the half term, we shall look at running, jumping and throwing in detail. We will focus on technique. We will then look at Invasion Games and how to be an effective team player. We will have lessons with Alan, the skills coach once a week to build our basic skills.

PSHE

During our first focus in the Jigsaw scheme, we will look at 'Being Me in My World'. We will explore goals for the year, what a dream school would look like and learn to be proud of ourselves.

KEY

Using various resources to find out about rivers through different mediums- film/art/DT

LOCK

Building a model river.

'Rivers' Autumn 1

3/4C

RE

During RE, we will explore the Hindu faith. We will look at their holy places, holy books and some different holy symbols.
