

# Music @ Mereside

**Intent:** We want all pupils to develop a love and appreciation of different music styles throughout history, express themselves and their creativity in a variety of ways and to compose and appraise their own pieces.

At Mereside we work closely with Blackpool Music Service to provide the pupils with many musical experiences both in and out of school. All children will have the opportunity to learn a musical instrument during their primary years through the wider opportunities programme. Music composition, performance and appreciation are key to achieving the National Curriculum objectives and we have a dedicated music room for pupils to work in full of a variety of musical instruments. We encourage the pupils to perform whether this is in assemblies, at the Winter Gardens or The Grand Theatre or other venues and have both a pupil and staff choir who perform.

Mereside also use the online Music Express scheme to support the teaching of music from Early Years to Y6.

## Music in EYFS

Pupils in EYFS are encouraged to explore the world around them through music, learn and sing rhymes and make their own music during continuous provision.

To supplement this there are the following units from Music Express\* that can be used when needed:

Special People	Growth and Change	Going Places
Stories and Sounds	Moving Patterns	Working World
Our Senses		

\*Music Express.

It is an award-winning digital primary music curriculum resource - a complete scheme to deliver the National Curriculum for Music.
