

Welcome

to

UKS2

Meet the Team

Mr Peach

Miss Brown

Miss Macdonald

Welcome 5/6P

Hello and welcome to 5/6P! I am excited to start the next academic year with you all in my class. I am Mr Peach and I have been teaching at Mereside for 6 years now! This is the start of my 7th year. Some of you might be a little bit nervous about coming in to UKS2 or even joining year 6 but that is completely normal! I am a little bit nervous of coming upstairs too. It will definitely be a big change compared to working in the younger parts of school.

We have lots of fun things to do over the year which I am excited to share with you. We will be starting, or continuing for some, swimming. We will also be taking part in Cornets in year 5 and Unstoppable in year 6. There will be many more opportunities to join a club after school, something I am really looking forward to!

I can't wait to welcome you into our class. See you soon!

Welcome to 5/6B

Hello everyone and welcome to 5/6B! If you are reading this, it means you are going to be a part of Team5/6B and this is so exciting. I look forward to getting to know you (if i don't already know you) and being apart of your learning journey. We are going to have lots of fun learning everything we need to know.

This is the start of my 6th year of teaching with this being my third year of teaching in UKS2 and I absolutely love being older to teach the oldest children in our school. Being in year 5, it is amazing to see these children develop new skills, apply for jobs in and around school and to give the children a chance at applying for head boy and head girl.

Whether you are new to UKS2 or you are moving into year 6, you may be a little worried or anxious about the workload and expectations but there is no need to worry. All you need to do is try your best and give everything a go and that is all we can ask for. We are extremely lucky to have lots of adults in our phase who can give you all of the help and support you need.

I very much look forward to working with you whether you are in my class or you are moving into the year 5 phase.

Miss Brown

Welcome to 5/6M

Hi everyone, welcome to 5/6M! I am so excited to be working with you all this year and I can't wait to get goin with the exciting things we have planned.

I have been teaching upper school for a longggg time I absolutely love it! We have so many incredible things planned this year and the opportunities you'll have are going to be great. There is so much to look forward to and so much to learn!

Year 6's having the opportunity to head off to Waterpark on Coniston Lake. Year 5's have the chance to learn a new instrument. We have so many sports competitions where you can represent school. The list just goes on and on.

When you head up to the top floor, you're the top of the school and have to set a fantastic example to all the younger children in school, being role models to them all. I know you will do it.

If you're a bit worried about the work, there's no need...we are going to have a fantastic year! The work will be 'Goldilocks' work- not too hard, not too easy...just right! There's also lots of help available too!

Miss Mac :)
