What do my senses tell me about the world of religion and belief?

How does a celebration bring a community together?

What do Jewish people remember on Shabbat?

What does the cross mean to Christians?

How did the universe come to be?

What does it mean to be part of a religious family?

# Welcome to 1M

Hello, welcome to 1M. I am Miss McGarry the class teacher and our Teaching Assistant is Mrs Easter. In Year 1, we love to have fun and try to make our lessons exciting. Throughout the year we learn lots of new things throughout our topics. My favourite topic is London because this is where I am from. We also use our phonic knowledge to help us become fantastic readers and writers. In maths we will learn about big numbers, adding and subtracting and lots more.

I love P.E and we are very lucky because we have some lessons taught by Mr Tomes and Mr Alan. They teach us lots of new skills including dance, gymnastics and athletics.

Mrs Easter loves Art and enjoys showing us lots of fantastic techniques that we can try.

There is so much to do in Year 1 and we can't wait for you to come and join us.

# Welcome to 2R

Welcome to 2R!

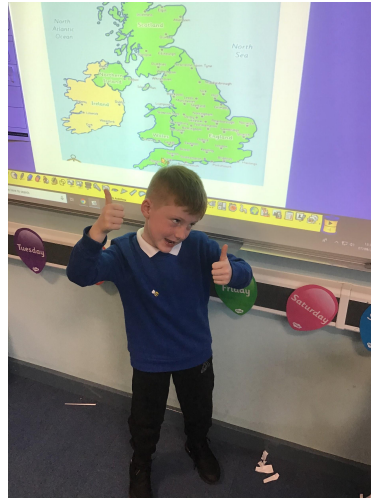

Miss Rowland is the Class Teacher and Mrs Whetton is our support assistant. Mrs Nicholson also supports both 1M and 2R.

We absolutely love exploring and discovering new things in Year 2. Miss Rowland loves to tell stories and make up silly voices and characters, and her favourite subjects are Geography and History because she loves to understand our world as it is now and how it was in the past. Mrs Whetton is very creative and loves to share her passion for crafting, helping the children to design and create their own sculptures and bring their other ideas to life.
