Note to Parents

All 4-year-old children can start at Meynell Primary School, in the September following their 4th birthday. Parents may defer entry to school until compulsory school age if they wish, ie the term after the child's 5th birthday, within the same academic year, at the point they judge their child to be ready to start school. Letters are sent to your home address from the local authority at the appropriate time that you need to make an application.

Admission to Meynell Nursery does not guarantee a place in the school. Nursery places are available for all parents to apply for, whether or not they are expecting their child to attend Meynell School when the child reaches the normal age of admission. Applications for a school place must be made in accordance with the Authority's policy.
