March 2021

All Things Bright and Beautiful

## Welcome Back!

It really is wonderful to have all the children back in school again – they've done so well, and we're now back in the swing of new routines, a new classroom and a very full timetable!

## Our Learning

Please see the attached planning sheet for details of what we will be learning about in this short time before Easter.

## Snack time

Timetables have changed this term, and we now have lunch at 12.35 (after our lunchtime play). We have found that the children are really hungry by lunchtime, so we are trying to make sure that all children have a snack part-way through the morning. School fruit is available every day, and children are more than welcome to bring their own fruit/breadsticks for snack time. Some children are eating something from their lunchbox, which is fine with us, but we're very conscious that they then may not have enough for lunch! Please could you have a chat with your child so they know what you would like them to have at snack time, and what they should leave until lunchtime.

If you would like your child to have daily milk, please contact the main school office.

## PE

Our PE days are Wednesday and Thursday, so please send your child in their PE kits on these days.

## Nuts

Just a reminder that there are children in school with nut allergies. Packed lunch and treats for birthdays must be checked carefully to ensure they are **completely nut-free**.

## Dojos

We are continuing with awarding Dojo points as in Lockdown. Children can potentially earn 5 points per day for their work and behaviour. There will be the opportunity very soon for children to see what's in our Dojo shop so they can start spending or saving their points!

## Diary Dates

Please see the school website for important dates for your diary.

## Comic Relief

This Friday (19<sup>th</sup> March), we will be supporting Comic Relief in school. Children may come in non-uniform in return for a small contribution to this worthy Charity.
