

# Middlethorpe Primary Academy LTP Reading

## Foundation Stage and Year 1- Phonics and Little Wandle

Phonics teaching and learning starts immediately upon each child's entry into school. We follow the Little Wandle Letters and Sounds programme.

In FS early reading is linked directly to phonic teaching and home reading books are matched to the phonics sounds taught.

In our reading meeting parents are made aware of the importance of both reading phonetically and reading for pleasure.

Each phonic lesson encourages the children to review previously learnt phonemes and graphemes, teaches them new or alternative ways to say a sound, followed by engaging activities which support the practice and application of phonics for both reading and writing.

At every stage we emphasise the importance of decoding words by orally segmenting the sounds we see; this prepares the children for the Phonic Screening Test (the reading of 20 real words and 20 non-real words.)

Year 1 children receive regular phonic assessments. Based on this, further teaching or consolidation will occur to support the children to develop their understanding and ability to decode familiar and unfamiliar words using their phonics.

**Year 2**

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
POR Texts	<p><b><u>Man on the Moon</u></b></p> 	<p><b><u>Julia Donaldson Poems to Perform</u></b></p> 	<p><b><u>The Emperor's Egg (Moth an evolutionary story)</u></b></p> 	<p><b><u>Tin Forest</u></b></p> 	<p><b><u>Orion and the Dark</u></b></p> 	<p><b><u>Dear Greenpeace</u></b></p>
